

4i Water Services Ltd Terms of Quotation – Cleaning & Disinfection

Relevant Law in Respect of Legionella Control

- Health and Safety at Work etc. Act. 1974
- The Management of Health and Safety at Work Regulations 1999
- The Control of Substances Hazardous to Health Regulations 2002
- The Water Supply (Water Fittings) Regulations 1999
- The Water Supply (Water Quality) Regulations 2018
- Private Water Supplies Regulations 2016
- Reporting of Injuries, Diseases and Dangerous Occurrences Regulations 2013

It is the responsibility of the duty holder/responsible person to:

- a. Maintain the water system, and the water in it, in a clean condition and to facilitate inspection to determine if the system is clean or not.
- b. Make the systems available for the agreed work, with safe access, and adequate notice to ourselves to schedule and execute the agreed work.
- c. Provide us with any information on known risks and safety requirements in the areas we will be working, and advise of any known deadlegs, redundant pipework and the location of schematic diagrams.
- d. Ensure any preparatory work you are responsible for is completed prior to commencing cleaning and disinfection work.
- e. Ensure any necessary trade effluent discharge consent is in place for effluent generated from the cleaning and disinfection process.
